- Simply enter the names and addresses of persons receiving toffee on this sheet. Delivery is guaranteed if addresses are current and correct.

- If you need additional spaces, duplicate the order page or provide the needed information on another sheet.
- Then calculate the total charge at the bottom. Add the totals from each page and enter that amount at the Grand Total.
- Select your method of payment. Be sure you provide the accurate credit card number, expiration date, V code (back side of card, last 3 digits) and billing address for this credit card.
